## TOASTMASTERS TO CONDUCT FALL SPEECHCRAFT SEMINAR

Need a Business Boost?

Your business' success often depends on how well you can express yourself.

If you want to improve your performance in business meetings, presentations, job interviews, conversations, sales and problem-solving situations, a Toastmasters International Speechcraft workshop can help.

During the workshop you will prepare and present short talks and practice impromptu speaking in a relaxed, enjoyable atmosphere. By the end of the 8-week workshop you will be able to communicate with confidence and poise at work and at home.

Give your business a boost. Reserve your seat in the Speechcraft workshop being presented by Barrie's Small Business Toastmasters Club. Cost of enrolment is \$70 for the 8-week course, which will start on Monday, September 19 through to Monday, November 21 inclusive. There will be no workshop presentation on Monday Oct. 10 due to the Thanksgiving holiday.

**NOTE:** This workshop is open to the public. You do not have to own a business to attend. Remember, people who get ahead in life are those who can communicate properly. Wouldn't you like to get ahead in life?
