FOR IMMEDIATE RELEASE

“Power of Persistence” Expert to address local Club

Barrie, ON - An inspiring national speaker and coach, Michael McGauley captivates audiences with his compelling life story of how he learned to excel beyond normal human expectations in the face of tragedy and adversity. From earning his degree in business after childhood dyslexia led educators to classify him as “incompetent”, to regaining the full use of his legs after they were threatened for amputation as a result of being severely crushed in a car accident while he was being a “good Samaritan,” McGauley reveals the true value of tenacity and is earning the reputation of

being the “Power of Persistence” expert.

McGauley will be the guest speaker at a Toastmasters Demonstration Meeting to be held on Thursday, June 9 at 7 p.m. Barrie's Small Business Toastmasters Club is hosting the Demo Meeting in the Greater Barrie Business Enterprise Centre's Seminar Room, 24 Maple Street (above the bus terminal).

The public is encouraged to attend this meeting to hear McGauley's message and to discover what Toastmasters is all about.

Since it's founding in 1924, Toastmasters International, a not-for-profit educational organization, has helped four million men and women develop their speaking skills and become confident communicators at work, home and yes, even at parties.
